Baking Directions

- 1. Open 1 can of pumpkin puree and ANY cake mix & place in blender. Add a few tablespoons of water if necessary.***
- 2. Add 1 to 2 cups of nuts, raisins, or chocolate chips or whatever else you'd like, just be sure you are measuring appropriately and using a "healthy" serving size.***
- 3. Use a small ice cream scoop to scoop out the cookies onto a cookie sheet. You should be able to fit 12 to 16 cookies on one cookie sheet.***
